About XOMA Corporation

XOMA has built a significant portfolio of products that are licensed to and being developed by other biotech and pharmaceutical companies. The Company's portfolio of partner-funded programs spans multiple stages of the drug development process and across various therapeutic areas. Many of these licenses are the result of XOMA's pioneering efforts in the discovery and development of antibody therapeutics. The Company's royalty-aggregator business model includes acquiring additional licenses to partner-funded programs. XOMA's license portfolio has the potential to generate significant milestone payments and royalty revenue in the future. For more information, visit www.xoma.com.
