Item 1.01. Entry into a Material Definitive Agreement

On October 21, 2008, we entered into what is sometimes referred to as an equity line of credit arrangement with Azimuth Opportunity Ltd. ("Azimuth"). A copy of the press release issued by us on October 22, 2008 concerning the transaction is filed herewith as Exhibit 99.1 and is incorporated herein by reference. In connection with this transaction, we entered into a Common Stock Purchase Agreement with Azimuth (the "Purchase Agreement"), pursuant to which, and upon the terms and subject to the conditions set forth therein, Azimuth has committed to purchase up to \$60,000,000 of our common shares, or the number of shares which is one less than twenty percent (20%) of the issued and outstanding common shares as of October 21, 2008, whichever occurs first, over the 24-month term of the Purchase Agreement. From time to time ending on November 1, 2010 and at our sole discretion, we may present Azimuth with draw down notices to purchase our common shares over 10 consecutive trading days or such other period mutually agreed upon by us and Azimuth. Each draw down is subject to limitations based on the price of our common shares and a limit of 2.5% of our market capitalization at the time of such draw down, provided, however, Azimuth will not be required to purchase more than \$16,000,000 of our common shares in any single draw down (excluding shares under any call option, which is described below). We are able to present Azimuth with up to 24 draw down notices during the term of the Purchase Agreement, with a minimum of five trading days required between each draw down period. Only one draw down is allowed in each draw down pricing period, unless otherwise mutually agreed upon by us and Azimuth.

Once presented with a draw down notice, Azimuth is required to purchase a pro-rata portion of the shares allocated to each trading day during the trading period on which the daily volume weighted average price for our common shares exceeds a threshold price for such draw down determined by us. The payment for shares in respect of each draw down notice shall be settled on the second trading day following the last trading day of each draw down period, or on such earlier date as we and Azimuth may mutually agree. The per share purchase price for these shares equals the daily volume weighted average price of our common shares on each date during the draw down period on which shares are purchased, less a discount ranging from 2.65% to 6.65%. If the daily volume weighted average price of our common shares falls below the threshold price on any trading day during a draw down period, Azimuth will not be required to purchase the pro-rata portion of common shares allocated to that day. However, at its election, Azimuth may buy the pro-rata portion of shares allocated to that day at the threshold price less the discount described above.

The Purchase Agreement also provides that from time to time and at our sole discretion we may grant Azimuth the right to exercise one or more options to purchase additional common shares during each draw down pricing period as specified by us. Upon Azimuth's exercise of

the option, we will sell to Azimuth our common shares subject to the option at a price equal to the greater of the daily volume weighted average price of our common shares on the day Azimuth notifies us of its election to exercise its option or the threshold price for the option determined by us, less a discount ranging from 2.65% to 6.65%.

In addition to our issuance of common shares to Azimuth pursuant to the Purchase Agreement, our Registration Statement on Form S-3 (File No. 333-149874) also covers the sale of those shares from time to time by Azimuth to the public. Azimuth is an "underwriter" within the meaning of Section 2(a)(11) of the Securities Act of 1933, as amended.

Azimuth has informed us that it will use an unaffiliated broker-dealer to effectuate all sales, if any, of common shares that it may purchase from us pursuant to the Purchase Agreement. Such sales will be made on the NASDAQ Global Market at prices and at terms then prevailing or at prices related to the then current market price. Each such unaffiliated broker-dealer will be an underwriter within the meaning of Section 2(a)(11) of the Securities Act. Azimuth has informed us that each such broker-dealer will receive commissions from Azimuth which will not exceed customary brokerage commissions. Azimuth also will pay other expenses associated with the sale of the common shares it acquires pursuant to the Purchase Agreement.

The common shares may be sold in one or more of the following manners:

- ordinary brokerage transactions and transactions in which the broker solicits purchasers; or
- a block trade in which the broker or dealer so engaged will attempt to sell the shares as agent, but may position and resell a portion of the block as principal to facilitate the transaction.

Azimuth has agreed that during the term of and for a period of 90 days after the termination of the Purchase Agreement, neither Azimuth nor any of its affiliates will, directly or indirectly, sell any of our securities except the shares that it owns or has the right to purchase pursuant to the provisions of a draw down notice. Azimuth has agreed that during the period listed above it will not enter into a short position with respect to our common shares except that Azimuth may sell shares that it is obligated to purchase under a pending draw down notice but has not yet taken possession of so long as Azimuth covers any such sales with the shares purchased pursuant to such draw down notice. Azimuth has further agreed that during the periods listed above it will not grant any option to purchase or acquire any right to dispose or otherwise dispose for value of any of our common shares or any securities convertible into, or exchangeable for, or warrants to purchase, any of our common shares, or enter into any swap, hedge or other agreement that transfers, in whole or in part, the economic risk of ownership of our common shares, except for the sales permitted by the prior two sentences.

In addition, Azimuth and any unaffiliated broker-dealer will be subject to liability under the federal securities laws and must comply with the requirements of the Securities Act and the Securities Exchange Act of 1934, including without limitation, Rule 10b-5 and Regulation M under the Exchange Act. These rules and regulations may limit the timing of purchases and sales of common shares by Azimuth or any unaffiliated broker-dealer. Under these rules and regulations, Azimuth and any unaffiliated broker-dealer:

- may not engage in any stabilization activity in connection with our securities;
- must furnish each broker which offers our common shares covered by the prospectus that is a part of our Registration Statement with the number of copies of such prospectus and any prospectus supplement which are required by each broker; and
- may not bid for or purchase any of our securities or attempt to induce any person to purchase any of our securities other than as permitted under the Exchange Act.

These restrictions may affect the marketability of the common shares by Azimuth and any unaffiliated broker-dealer.

Subject to limited exceptions, we have agreed to indemnify and hold harmless Azimuth, each of its affiliates, employees, representatives and advisors and any unaffiliated broker-dealer and each person who controls Azimuth or any unaffiliated broker-dealer against certain liabilities, including liabilities under the Securities Act, which may be based upon, among other things, any untrue statement or alleged untrue statement of a material fact contained in or incorporated by reference in our Registration Statement, or any omission or alleged omission to state in the Registration Statement or any Issuer Free Writing Prospectus or any document incorporated by reference therein, a material fact required to be stated therein or necessary to make the statements therein not misleading, unless made or omitted in reliance upon written information provided to us by Azimuth or any unaffiliated broker-dealer. We have agreed to pay up to thirty-five thousand dollars (\$35,000) of Azimuth's attorneys' fees and expenses (exclusive of disbursements and out-of-pocket expenses) incurred by Azimuth in connection with the preparation, negotiation, execution and delivery of the Purchase Agreement and related transaction documentation, and up to \$12,500 each quarter during the term of the equity line to cover ongoing due diligence and review of documentation. Further, we have agreed that if we issue a draw down notice and fail to deliver the shares to Azimuth on the applicable settlement date, and such failure continues for ten trading days, we will pay Azimuth liquidated damages in cash or restricted common shares, at the option of Azimuth.

Azimuth has agreed to indemnify and hold harmless us and each of our directors, officers and persons who control us against certain liabilities, including liabilities under the Securities Act, which may be based upon, among other things, an untrue statement, alleged untrue statement,

omission or alleged omission, included in the prospectus that forms a part of our Registration Statement or any prospectus supplement or permitted free writing prospectus or any amendment or supplement thereto in reliance upon, and in conformity with, written information furnished by Azimuth to us for inclusion therein, or any omission or alleged omission to state in such prospectus, prospectus supplement or permitted free writing prospectus or any amendment or supplement thereto a material fact required to be stated therein or necessary to make the statements therein not misleading, to the extent, but only to the extent, the untrue statement, alleged untrue statement, omission or alleged omission was made in reliance upon, and in conformity with, written information provided to us by Azimuth.

Reedland Capital Partners, an Institutional Division of Financial West Group, member FINRA/SIPC ("Reedland"), is acting as placement agent in connection with the sale of our common shares to Azimuth under the Purchase Agreement. We have agreed to pay Reedland, upon each such sale, a placement fee equal to 1.35% of the aggregate dollar amount of common shares purchased by Azimuth.

The foregoing descriptions are qualified in their entirety by reference to the Purchase Agreement, a copy of which is attached hereto as Exhibit 10.1 and incorporated by reference herein.

COMMON SHARE PURCHASE AGREEMENT

This **COMMON SHARE PURCHASE AGREEMENT**, made and entered into on this 21st day of October 2008 (this "Agreement"), by and between Azimuth Opportunity Ltd., an international business company incorporated under the laws of the British Virgin Islands (the "Investor"), and XOMA Ltd., a company organized and existing under the laws of Bermuda (the "Company"). Capitalized terms used but not defined herein shall have the meanings ascribed to such terms in Annex A hereto.

RECITALS

WHEREAS, the parties desire that, upon the terms and subject to the conditions contained herein, the Company may issue and sell to the Investor and the Investor shall thereupon purchase from the Company up to \$60,000,000 of newly issued common shares of the Company, U.S. \$0.0005 par value per share ("Common Shares"), subject, in all cases, to the Trading Market Limit; and

WHEREAS, the offer and sale of the Common Shares hereunder have been registered by the Company in the Registration Statement, which has been declared effective by order of the Commission under the Securities Act;

NOW, THEREFORE, the parties hereto, intending to be legally bound, hereby agree as follows:

ARTICLE I PURCHASE AND SALE OF COMMON SHARES

Section 1.1 Purchase and Sale of Stock. Upon the terms and subject to the conditions of this Agreement, during the Investment Period the Company in its discretion may issue and sell to the Investor up to \$60,000,000 (the "Total Commitment") of duly authorized, validly issued, fully paid and non-assessable Common Shares (subject in all cases to the Trading Market Limit, the "Aggregate Limit"), by (i) the delivery to the Investor of not more than 24 separate Fixed Request Notices (unless the Investor and the Company mutually agree that a different number of Fixed Request Notices may be delivered) as provided in Article II hereof and (ii) the exercise by the Investor of Optional Amounts, which the Company may in its discretion grant to the Investor and which may be exercised by the Investor, in whole or in part, as provided in Article II hereof. The aggregate of all Fixed Request Amounts and Optional Amount Dollar Amounts shall not exceed the Aggregate Limit.

Section 1.2 Effective Date; Settlement Dates. This Agreement shall become effective and binding upon delivery of counterpart signature pages of this Agreement executed by each of the parties hereto, and by delivery of an opinion of counsel and a certificate of the Company as provided in Section 6.1 hereof, to the offices of Greenberg Traurig, LLP, 200 Park Avenue, New York, New York 10166, at 1:00 p.m., New York time, on the Effective Date. In consideration of and in express reliance upon the representations, warranties and covenants, and otherwise upon the terms and subject to the conditions, of this Agreement, from and after the Effective Date and during the Investment Period (i) the Company shall issue and sell to the Investor, and the Investor agrees to purchase from the Company, the Shares in respect of each

Fixed Request and (ii) the Investor may in its discretion elect to purchase Shares in respect of each Optional Amount. The issuance and sale of Shares to the Investor pursuant to any Fixed Request or Optional Amount shall occur on the applicable Settlement Date in accordance with Sections 2.7 and 2.9 (or on such Trading Day in accordance with Section 2.8, as applicable), provided in each case that all of the conditions precedent thereto set forth in Article VI theretofore shall have been fulfilled or (to the extent permitted by applicable law) waived.

Section 1.3 The Shares

Section 1.4. The Company has or will have duly authorized and reserved for issuance, and covenants to continue to so reserve once reserved for issuance, free of all preemptive and other similar rights, at all times during the Investment Period, the requisite aggregate number of authorized but unissued Common Shares to timely effect the issuance, sale and delivery in full to the Investor of all Shares to be issued in respect of all Fixed Requests and Optional Amounts under this Agreement, in any case prior to the issuance to the Investor of such Shares.

Section 1.5 Current Report; Prospectus Supplement As soon as practicable, but in any event not later than 5:30 p.m. (New York time) on the first Trading Day immediately following the Effective Date, the Company shall file with the Commission a report on Form 8-K relating to the transactions contemplated by, and describing the material terms and conditions of, this Agreement and disclosing all information relating to the transactions contemplated hereby required to be disclosed in the Registration Statement and the Base Prospectus (but which permissibly has been omitted therefrom in accordance with the Securities Act), including, without limitation, information required to be disclosed in the section captioned "Plan of Distribution" in the Base Prospectus (the "Current Report"). The Current Report shall include a copy of this Agreement as an exhibit. To the extent applicable, the Current Report shall be incorporated by reference in the Registration Statement in accordance with the provisions of Rule 430B under the Securities Act. The Company heretofore has provided the Investor a reasonable opportunity to comment on a draft of such Current Report and has given due consideration to such comments. The Company shall file a final Base Prospectus pursuant to Rule 424(b) under the Securities Act on or prior to the second Trading Day immediately following the Effective Date. Pursuant to Section 5.9 and subject to the provisions of Section 5.8, on the first Trading Day immediately following the last Trading Day of each Pricing Period, the Company shall file with the Commission a Prospectus Supplement pursuant to Rule 424(b) under the Securities Act disclosing the number of Shares to be issued and sold to the Investor thereunder, the total purchase price therefor and the net proceeds to be received by the Company therefrom and, to the extent required by the Securities Act, identifying the Current Report.

ARTICLE II FIXED REQUEST TERMS; OPTIONAL AMOUNT

Subject to the satisfaction of the conditions set forth in this Agreement, the parties agree (unless otherwise mutually agreed upon by the parties in writing) as follows:

Section 2.1 Fixed Request Notice Upon two Trading Days' prior notice to the Investor, the Company may, from time to time in its sole discretion, provide a notice to the Investor of a Fixed Request before 9:30 a.m. (New York time) on the first Trading Day of the Pricing Period (the "Fixed Request Notice"), substantially in the form attached hereto as Exhibit

A. The Fixed Request Notice shall specify the Fixed Amount Requested, establish the Threshold Price for such Fixed Request, designate the first Trading Day of the Pricing Period and specify the Optional Amount, if any, that the Company elects to grant to the Investor during the Pricing Period and the applicable Threshold Price for such Optional Amount (the “Optional Amount Threshold Price”). The Threshold Price and the Optional Amount Threshold Price established by the Company in a Fixed Request Notice may be the same or different, in the Company’s sole discretion. Upon the terms and subject to the conditions of this Agreement, the Investor is obligated to accept each Fixed Request Notice prepared and delivered in accordance with the provisions of this Agreement.

Section 2.2 Fixed Requests

. From time to time during the Investment Period, the Company may in its sole discretion deliver to the Investor a Fixed Request Notice for a specified Fixed Amount Requested, and the applicable discount price (the “Discount Price”) shall be determined, in accordance with the price and share amount parameters as set forth below or such other parameters mutually agreed upon by the Investor and the Company, and upon the terms and subject to the conditions of this Agreement, the Investor shall purchase from the Company the Shares subject to such Fixed Request Notice; provided, however, that (i) if an ex-dividend date is established by the Trading Market in respect of the Common Shares on or between the first Trading Day of the applicable Pricing Period and the applicable Settlement Date, the Discount Price shall be reduced by the per share dividend amount and (ii) the Company may not deliver any single Fixed Request Notice for a Fixed Amount Requested in excess of the lesser of (a) the amount in the applicable Fixed Amount Requested column below and (b) 2.5% of the Market Capitalization:

<u>Threshold Price</u>	<u>Fixed Amount Requested</u>	<u>Discount Price</u>
Equal to or greater than \$8.00	Not to exceed \$16,000,000	97.35% of the VWAP
Equal to or greater than \$7.00 and less than \$8.00	Not to exceed \$14,000,000	97.10% of the VWAP
Equal to or greater than \$6.00 and less than \$7.00	Not to exceed \$12,000,000	96.85% of the VWAP
Equal to or greater than \$5.00 and less than \$6.00	Not to exceed \$10,000,000	96.60% of the VWAP
Equal to or greater than \$4.00 and less than \$5.00	Not to exceed \$8,000,000	96.35% of the VWAP
Equal to or greater than \$3.50 and less than \$4.00	Not to exceed \$7,000,000	95.35% of the VWAP
Equal to or greater than \$3.00 and less than \$3.50	Not to exceed \$6,000,000	94.85% of the VWAP
Equal to or greater than \$2.50 and less than \$3.00	Not to exceed \$5,000,000	94.35% of the VWAP
Equal to or greater than \$2.00 and less than \$2.50	Not to exceed \$4,000,000	93.85% of the VWAP
Equal to or greater than \$1.50 and less than \$2.00	Not to exceed \$4,000,000	93.35% of the VWAP
Equal to or greater than \$1.00 and less than \$1.50	Not to exceed \$3,500,000	93.35% of the VWAP

Anything to the contrary in this Agreement notwithstanding, at no time shall the Investor be required to purchase more than \$16,000,000 worth of Common Shares in respect of any Pricing Period (not including Common Shares subject to any Optional Amount). The date on which the Company delivers any Fixed Request Notice in accordance with this Section 2.2 hereinafter shall be referred to as a “Fixed Request Exercise Date”.

Section 2.3 Share Calculation. With respect to the Trading Days during the applicable Pricing Period for which the VWAP equals or exceeds the Threshold Price, the number of Shares to be issued by the Company to the Investor pursuant to a Fixed Request shall equal the aggregate sum of each quotient (calculated for each Trading Day during the applicable Pricing Period for which the VWAP equals or exceeds the Threshold Price) determined pursuant to the following equation (rounded to the nearest whole Share):

$N = (A \times B)/C$, where:

N = the number of Shares to be issued by the Company to the Investor in respect of a Trading Day during the applicable Pricing Period for which the VWAP equals or exceeds the Threshold Price,

A = 0.10 (the “Multiplier”),

B = the total Fixed Amount Requested, and

C = the applicable Discount Price.

Section 2.4 Limitation of Fixed Requests. The Company shall not make more than one Fixed Request in each Pricing Period. Not less than five Trading Days shall elapse between the end of one Pricing Period and the commencement of any other Pricing Period during the Investment Period. There shall be permitted a maximum of 24 Fixed Requests during the Investment Period. Each Fixed Request automatically shall expire immediately following the last Trading Day of each Pricing Period.

Section 2.5 Reduction of Commitment. On the last Trading Day of each Pricing Period, the Investor’s Total Commitment under this Agreement automatically (and without the need for any amendment to this Agreement) shall be reduced, on a dollar-for-dollar basis, by the total amount of the Fixed Request Amount and the Optional Amount Dollar Amount, if any, for such Pricing Period paid to the Company at the Settlement Date.

Section 2.6 Below Threshold Price. If the VWAP on any Trading Day in a Pricing Period is lower than the Threshold Price, then for each such Trading Day the Fixed Amount Requested shall be reduced, on a dollar-for-dollar basis, by an amount equal to the product of (x) the Multiplier and (y) the total Fixed Amount Requested, and no Shares shall be purchased or sold with respect to such Trading Day, except as provided below. If trading in the Common Shares on NASDAQ (or any other U.S. national securities exchange on which the Common Shares are then listed) is suspended for any reason for more than three hours on any Trading Day, the Investor may at its option deem the price of the Common Shares to be lower than the Threshold Price for such Trading Day and, for each such Trading Day, the total amount of the

Fixed Amount Requested shall be reduced as provided in the immediately preceding sentence, and no Shares shall be purchased or sold with respect to such Trading Day, except as provided below. For each Trading Day during a Pricing Period on which the VWAP is lower (or is deemed to be lower as provided in the immediately preceding sentence) than the Threshold Price, the Investor may in its sole discretion elect to purchase such U.S. dollar amount of Shares equal to the amount by which the Fixed Amount Requested has been reduced in accordance with this Section 2.6, at the Threshold Price multiplied by the applicable percentage determined in accordance with the price and share amount parameters set forth in Section 2.2. The Investor shall inform the Company via facsimile transmission not later than 8:00 p.m. (New York time) on the last Trading Day of such Pricing Period as to the number of Shares, if any, the Investor elects to purchase as provided in this Section 2.6.

Section 2.7 Settlement. The payment for, against simultaneous delivery of, Shares in respect of each Fixed Request shall be settled on the second Trading Day next following the last Trading Day of each Pricing Period, or on such earlier date as the parties may mutually agree (the "Settlement Date"). On each Settlement Date, the Company shall deliver the Shares purchased by the Investor to the Investor or its designees via DTC's Deposit Withdrawal Agent Commission (DWAC) system, against simultaneous payment therefor to the Company's designated account by wire transfer of immediately available funds, provided that if the Shares are received by the Investor later than 1:00 p.m. (New York time), payment therefor shall be made with next day funds. As set forth in Section 9.1(ii), a failure by the Company to deliver such Shares shall result in the payment of liquidated damages by the Company to the Investor.

Section 2.8 Reduction of Pricing Period. If during a Pricing Period the Company elects to reduce the number of Trading Days in such Pricing Period (and thereby amend its previously delivered Fixed Request Notice), the Company shall so notify the Investor before 9:00 a.m. (New York time) on any Trading Day during a Pricing Period (a "Reduction Notice") and the last Trading Day of such Pricing Period shall be the Trading Day immediately preceding the Trading Day on which the Investor received such Reduction Notice; provided, however, that if the Company delivers the Reduction Notice later than 9:00 a.m. (New York time) on a Trading Day during a Pricing Period, then the last Trading Day of such Pricing Period instead shall be the Trading Day on which the Investor received such Reduction Notice.

Upon receipt of a Reduction Notice, the Investor (i) shall purchase the Shares in respect of each Trading Day in such reduced Pricing Period for which the VWAP equals or exceeds the Threshold Price in accordance with Section 2.3 hereof; (ii) may elect to purchase the Shares in respect of any Trading Day in such reduced Pricing Period for which the VWAP is (or is deemed to be) lower than the Threshold Price in accordance with Section 2.6 hereof; and (iii) may elect to exercise all or any portion of an Optional Amount on any Trading Day during such reduced Pricing Period in accordance with Sections 2.10 and 2.11 hereof.

In addition, upon receipt of a Reduction Notice, the Investor may elect to purchase such U.S. dollar amount of additional Shares equal to the product determined pursuant to the following equation:

$D = (A/B) \times (B - C)$, where:

D = the U.S. dollar amount of additional Shares to be purchased,

A = the Fixed Amount Requested,

B = 10 or, for purposes of this Section 2.8, such lesser number of Trading Days as the parties may mutually agree to, and

C = the number of Trading Days in the reduced Pricing Period,

at a per Share price equal to (x) the Fixed Amount Requested attributable to the reduced Pricing Period divided by (y) the number of Shares to be purchased during such reduced Pricing Period pursuant to clauses (i) and (ii) (as applicable) of the immediately preceding paragraph.

The Investor may also elect to exercise any portion of the applicable Optional Amount which was unexercised during the reduced Pricing Period (provided that such portion of the applicable Optional Amount, when combined with the portion of the Optional Amount exercised during the reduced Pricing Period, does not exceed the total Optional Amount set forth in the Fixed Request Notice) by issuing an Optional Amount Notice to the Company not later than 10:00 a.m. (New York time) on the first Trading Day next following the last Trading Day of the reduced Pricing Period. The number of Shares to be issued upon exercise of such Optional Amount shall be calculated pursuant to the equation set forth in Section 2.10 hereof, except that "C" shall equal the greater of (i) the VWAP for the Common Shares on the last Trading Day of the reduced Pricing Period or (ii) the Optional Amount Threshold Price.

The payment for, against simultaneous delivery of, Shares to be purchased and sold in accordance with this Section 2.8 shall be settled on the second Trading Day next following the Trading Day on which the Investor receives a Reduction Notice.

Section 2.9 Optional Amount With respect to any Pricing Period, the Company may in its sole discretion grant to the Investor the right to exercise, from time to time during the Pricing Period (but not more than once on any Trading Day), all or any portion of an Optional Amount. The maximum Optional Amount Dollar Amount and the Optional Amount Threshold Price shall be set forth in the Fixed Request Notice. If an ex-dividend date is established by the Trading Market in respect of the Common Shares on or between the first Trading Day of the applicable Pricing Period and the applicable Settlement Date, the applicable exercise price in respect of the Optional Amount shall be reduced by the per share dividend amount. Each daily Optional Amount exercise shall be aggregated during the Pricing Period and settled on the next Settlement Date. The Optional Amount Threshold Price designated by the Company in its Fixed Request Notice shall apply to each Optional Amount exercised during the applicable Pricing Period.

Section 2.10 Calculation of Optional Amount Shares The number of Common Shares to be issued in connection with the exercise of an Optional Amount shall be the quotient determined pursuant to the following equation (rounded to the nearest whole Share):

$O = A / (B \times C)$, where:

O = the number of Common Shares to be issued in connection with such Optional Amount exercise,

A = the Optional Amount Dollar Amount with respect to which the Investor has delivered an Optional Amount Notice,

B = the applicable percentage determined in accordance with the price and shares amount parameters set forth in Section 2.2 (with the Optional Amount Threshold Price serving as the Threshold Price for such purposes), and

C = the greater of (i) the VWAP for the Common Shares on the day the Investor delivers the Optional Amount Notice or (ii) the Optional Amount Threshold Price.

Section 2.11 Exercise of Optional Amount. If granted by the Company to the Investor with respect to a Pricing Period, all or any portion of the Optional Amount may be exercised by the Investor on any Trading Day during the Pricing Period, subject to the limitations set forth in Section 2.9. As a condition to each exercise of an Optional Amount pursuant to this Section 2.11, the Investor shall issue an Optional Amount Notice to the Company no later than 8:00 p.m. (New York time) on the day of such Optional Amount exercise. If the Investor does not exercise an Optional Amount in full by 8:00 p.m. (New York time) on the last Trading Day of the applicable Pricing Period, such unexercised portion of the Investor's Optional Amount with respect to that Pricing Period automatically shall lapse and terminate.

Section 2.12 Aggregate Limit. Notwithstanding anything to the contrary contained in this Agreement, in no event may the Company issue a Fixed Request Notice or grant an Optional Amount to the extent that the sale of Shares pursuant thereto and pursuant to all prior Fixed Request Notices and Optional Amounts issued hereunder, and as liquidated damages pursuant to Section 9.1(ii), would cause the Company to sell or the Investor to purchase Shares which in the aggregate are in excess of the Aggregate Limit. If the Company issues a Fixed Request Notice or Optional Amount that otherwise would permit the Investor to purchase Common Shares which would cause the aggregate purchases by Investor hereunder to exceed the Aggregate Limit, such Fixed Request Notice or Optional Amount shall be void *ab initio* to the extent of the amount by which the dollar value or number, as the case may be, of Common Shares otherwise issuable pursuant to such Fixed Request Notice or Optional Amount together with the dollar value or number, as the case may be, of all other Common Shares purchased by the Investor pursuant hereto would exceed the Aggregate Limit. The Company hereby represents, warrants and covenants that neither it nor any of its Subsidiaries (i) has effected any transaction or series of transactions, (ii) is a party to any pending transaction or series of transactions or (iii) shall enter into any contract, agreement, agreement-in-principle, arrangement or understanding with respect to, or shall effect, any Other Financing which, in any of such cases, would be aggregated with the transactions contemplated by this Agreement for purposes of determining whether approval of the Company's shareholders is required under any bylaw, listed securities maintenance standards or other rules of the Trading Market; provided, however, that the Company shall be permitted to take any action referred to in clause (iii) above if the Company has timely provided the Investor with an Integration Notice as provided in Section 5.6(ii) hereof.

At the Company's sole discretion, and effective automatically upon receipt by the Investor of notice thereof from the Company, this Agreement may be amended by the Company from time to time to reduce the Aggregate Limit by a specified dollar amount of Common Shares which shall be no greater than is required to enable the Company to utilize the Registration Statement to consummate an underwritten public offering of Common Shares or a registered direct public offering of Common Shares during the Investment Period; provided, however, that any such amendment of this Agreement (and any such purported amendment) shall be void and of no force and effect if the effect thereof would restrict, materially delay, conflict with or impair the ability or right of the Company to perform its obligations under this Agreement, including, without limitation, the obligation of the Company to deliver Shares to the Investor in respect of a Fixed Request or Optional Amount on the applicable Settlement Date. In the event the Company shall have elected to reduce the Aggregate Limit as provided in the immediately preceding sentence, at the Company's sole discretion, and effective automatically upon receipt by the Investor of notice thereof from the Company, the Company may subsequently amend this Agreement to increase the Aggregate Limit up to \$60,000,000; provided, however, that in no event shall the Company be entitled to issue Fixed Requests and grant Optional Amounts during the remainder of the Investment Period for an aggregate amount greater than the amount obtained by subtracting (x) the aggregate of all Fixed Request Amounts and Optional Amount Dollar Amounts (including any amounts paid as liquidated damages pursuant to Section 9.1(ii) hereunder) covered by all Fixed Requests and Optional Amounts theretofore issued or granted by the Company in respect of which a settlement has occurred pursuant to Section 2.7 from (y) \$60,000,000, subject in all cases to the Trading Market Limit.

The Company is in compliance in all material respects with the provisions of SOXA applicable to it as of the date hereof. The Company maintains disclosure controls and procedures required by Rule 13a-15 or Rule 15d-15 under the Exchange Act; such controls and procedures are effective to ensure that all material information concerning the Company and its Subsidiaries is made known on a timely basis to the individuals responsible for the timely and accurate preparation of the Company’s Commission filings and other public disclosure documents. Section 4.7 Subsidiaries. The 2007 Form 10-K sets forth each Subsidiary of the Company as of the Effective Date, showing its jurisdiction of incorporation or organization, and the Company owns all of the outstanding capital stock or other ownership interests of each such Subsidiary and does not have any other Subsidiaries as of the Effective Date.

Section 4.8 No Material Adverse Effect Since December 31, 2007, the Company has not experienced or suffered any Material Adverse Effect, and there exists no current state of facts, condition or event which would have a Material Adverse Effect, except (i) as disclosed in any Commission Documents filed since December 31, 2007 or (ii) continued losses from operations.

Section 4.9 Indebtedness. There is no existing or continuing default or event of default in respect of any Indebtedness of the Company or any of its Subsidiaries.

Section 4.10 Title To Assets. Each of the Company and its Subsidiaries has good and marketable title to all of their respective real and personal property reflected in the Commission Documents, free of mortgages, pledges, charges, liens, security interests or other encumbrances, except for those indicated in the Commission Documents or those that would not have a Material Adverse Effect. To the Company’s knowledge, all real property leases of the Company are valid and subsisting and in full force and effect in all material respects.

Section 4.11 Actions Pending. There is no action, suit, claim, investigation or proceeding pending, or to the knowledge of the Company threatened in writing, against the Company or any Subsidiary which questions the validity of this Agreement or the transactions

contemplated hereby or any action taken or to be taken pursuant hereto or thereto. Except as set forth in the Commission Documents, there is no action, suit, claim, investigation or proceeding pending, or to the knowledge of the Company threatened, against or involving the Company, any Subsidiary or any of their respective properties or assets, or involving any officers or directors of the Company or any of its Subsidiaries, including, without limitation, any securities class action lawsuit or shareholder derivative lawsuit, in each case which, if determined adversely to the Company, its Subsidiary or any officer or director of the Company or its Subsidiaries, would have a Material Adverse Effect. With respect to each of those certain actions under the caption "Item 3. Legal Proceedings" in the 2007 Form 10-K, there has been no event or change required to be disclosed in a filing under the Exchange Act that has not been so disclosed.

Section 4.12 Compliance With Law. The business of the Company and the Subsidiaries has been and is presently being conducted in compliance with all applicable federal, state, local and foreign governmental laws, rules, regulations and ordinances, except as set forth in the Commission Documents and except for such non-compliance which, individually or in the aggregate, would not have a Material Adverse Effect.

Section 4.13 Certain Fees. Except for the placement fee payable by the Company to Reedland Capital Partners, an Institutional Division of Financial West Group, Member FINRA/SIPC ("Reedland"), which shall be set forth in a separate engagement letter between the Company and Reedland (a true and complete fully executed copy of which has heretofore been provided to the Investor), no brokers, finders or financial advisory fees or commissions shall be payable by the Company or any Subsidiary (or any of their respective affiliates) with respect to the transactions contemplated by this Agreement.

Section 4.14 Operation of Business. (a) The Company or one or more of its Subsidiaries possesses such permits, licenses, approvals, consents and other authorizations (including licenses, accreditation and other similar documentation or approvals of any local health departments) (collectively, "Governmental Licenses") issued by the appropriate federal, state, local or foreign regulatory agencies or bodies, including, without limitation, the United States Food and Drug Administration ("FDA"), necessary to conduct the business now operated by it, except where the failure to possess such Governmental Licenses, individually or in the aggregate, would not have a Material Adverse Effect. The Company and its Subsidiaries are in compliance with the terms and conditions of all such Governmental Licenses and all applicable FDA rules and regulations, guidelines and policies, and all applicable rules and regulations, guidelines and policies of any governmental authority exercising authority comparable to that of the FDA (including any non-governmental authority whose approval or authorization is required under foreign law comparable to that administered by the FDA), except where the failure to so comply, individually or in the aggregate, would not have a Material Adverse Effect. All of the Governmental Licenses are valid and in full force and effect, except where the invalidity of such Governmental Licenses or the failure of such Governmental Licenses to be in full force and effect, individually or in the aggregate, would not have a Material Adverse Effect. As to each product that is subject to FDA regulation or similar legal provisions in any foreign jurisdiction that is developed, manufactured, tested, packaged, labeled, marketed, sold, distributed and/or commercialized by the Company or any of its Subsidiaries, each such product is being developed, manufactured, tested, packaged, labeled, marketed, sold, distributed and/or commercialized in compliance with all applicable requirements of the FDA (and any non-

governmental authority whose approval or authorization is required under foreign law comparable to that administered by the FDA), including, but not limited to, those relating to investigational use, investigational device exemption, premarket notification, premarket approval, good clinical practices, good manufacturing practices, record keeping, filing of reports, and patient privacy and medical record security, except where such non-compliance, individually or in the aggregate, would not have a Material Adverse Effect. As to each product or product candidate of the Company or any of its Subsidiaries subject to FDA regulation or similar legal provision in any foreign jurisdiction, all manufacturing facilities of the Company and its Subsidiaries are operated in compliance with the FDA's Quality System Regulation requirements at 21 C.F.R. Part 820, as applicable, except where such non-compliance, individually or in the aggregate, would not have a Material Adverse Effect. Except as set forth in the Commission Documents or the Registration Statement, neither the Company nor any of its Subsidiaries has received any notice of proceedings relating to the revocation or modification of any such Governmental Licenses or relating to a potential violation of, failure to comply with, or request to produce additional information under, any FDA rules and regulations, guidelines or policies which, if the subject of any unfavorable decision, ruling or finding, individually or in the aggregate, would have a Material Adverse Effect. Except as set forth in the Commission Documents or the Registration Statement, neither the Company nor any of its Subsidiaries has received any correspondence, notice or request from the FDA, including, without limitation, notice that any one or more products or product candidates of the Company or any of its Subsidiaries failed to receive approval from the FDA for use for any one or more indications, and neither the Company nor any of its Subsidiaries knows of any basis therefor. This Section 4.14 does not relate to environmental matters, such items being the subject of Section 4.15.

(b) The Company or one or more of its Subsidiaries owns or possesses adequate patents, patent rights, licenses, inventions, copyrights, know-how (including trade secrets and other unpatented and/or unpatentable proprietary or confidential information, systems or procedures), trademarks, service marks, trade names, trade dress, logos, copyrights and other intellectual property, including, without limitation, all of the intellectual property described in the Commission Documents as being owned or licensed by the Company (collectively, "Intellectual Property"), necessary to carry on the business now operated by it. Except as set forth in the Commission Documents or on Schedule 4.14(b) hereto, there are no actions, suits or judicial proceedings pending, or to the Company's knowledge threatened, relating to patents or proprietary information to which the Company or any of its Subsidiaries is a party or of which any property of the Company or any of its Subsidiaries is subject, and neither the Company nor any of its Subsidiaries has received any notice or is otherwise aware of any infringement of or conflict with asserted rights of others with respect to any Intellectual Property or of any facts or circumstances which could render any Intellectual Property invalid or inadequate to protect the interest of the Company and its Subsidiaries therein, and which infringement or conflict (if the subject of any unfavorable decision, ruling or finding) or invalidity or inadequacy, individually or in the aggregate, would have a Material Adverse Effect.

(c) All pre-clinical and clinical trials conducted by, or on behalf of, the Company or any of its Subsidiaries, or in which the Company or any of its Subsidiaries has participated that are described in the Registration Statement or the Commission Documents, or the results of which are referred to in the Registration Statement or the Commission Documents,

if any, are the only pre-clinical and clinical trials currently being conducted by or on behalf of the Company and its Subsidiaries. To the Company's knowledge, all such pre-clinical and clinical trials conducted, supervised or monitored by, or on behalf of, the Company or any of its Subsidiaries have been conducted in compliance with all applicable federal, state, local and foreign laws, and the regulations and requirements of any applicable governmental entity, including, but not limited to, FDA good clinical practice and good laboratory practice requirements. Except as set forth in the Registration Statement or the Commission Documents or as would not be likely to result in a Material Adverse Effect, neither the Company nor any of its Subsidiaries has received any notices or correspondence from the FDA or any other governmental agency requiring the termination, suspension, delay or modification of any pre-clinical or clinical trials conducted by, or on behalf of, the Company or any of its Subsidiaries or in which the Company or any of its Subsidiaries has participated that are described in the Registration Statement or the Commission Documents, if any, or the results of which are referred to in the Registration Statement or the Commission Documents. To the Company's knowledge, all pre-clinical and clinical trials previously conducted by, or on behalf of, the Company or any of its Subsidiaries while conducted by or on behalf of the Company or any of its Subsidiaries, were conducted in compliance with all applicable federal, state, local and foreign laws, and the regulations and requirements of any applicable governmental entity, including, but not limited to, FDA good clinical practice and good laboratory practice requirements.

Section 4.15 Environmental Compliance. Except as disclosed in the Commission Documents, the Company and each of its Subsidiaries have obtained all material approvals, authorization, certificates, consents, licenses, orders and permits or other similar authorizations of all governmental authorities, or from any other person, that are required under any Environmental Laws, except for any approvals, authorization, certificates, consents, licenses, orders and permits or other similar authorizations the failure of which to obtain does not or would not have a Material Adverse Effect. "Environmental Laws" shall mean all applicable laws relating to the protection of the environment including, without limitation, all requirements pertaining to reporting, licensing, permitting, controlling, investigating or remediating emissions, discharges, releases or threatened releases of hazardous substances, chemical substances, pollutants, contaminants or toxic substances, materials or wastes, whether solid, liquid or gaseous in nature, into the air, surface water, groundwater or land, or relating to the manufacture, processing, distribution, use, treatment, storage, disposal, transport or handling of hazardous substances, chemical substances, pollutants, contaminants or toxic substances, material or wastes, whether solid, liquid or gaseous in nature. Except for such instances as would not, individually or in the aggregate, have a Material Adverse Effect, to the Company's knowledge, there are no past or present events, conditions, circumstances, incidents, actions or omissions relating to or in any way affecting the Company or its Subsidiaries that violate or could reasonably be expected to violate any Environmental Law after the Effective Date or that could reasonably be expected to give rise to any environmental liability, or otherwise form the basis of any claim, action, demand, suit, proceeding, hearing, study or investigation (i) under any Environmental Law, or (ii) based on or related to the manufacture, processing, distribution, use, treatment, storage (including without limitation underground storage tanks), disposal, transport or handling, or the emission, discharge, release or threatened release of any hazardous substance.

Section 4.16 Material Agreements. Except as set forth in the Commission Documents, the Company and each of its Subsidiaries have performed in all material respects all the obligations required to be performed by them under the Material Agreements, have received no notice of default or an event of default by the Company or any of its Subsidiaries thereunder and are not aware of any basis for the assertion thereof, and neither the Company or any of its Subsidiaries nor, to the knowledge of the Company, any other contracting party thereto are in default under any Material Agreement now in effect, the result of which would have a Material Adverse Effect. Except as set forth in the Commission Documents, each of the Material Agreements is in full force and effect, and constitutes a legal, valid and binding obligation enforceable in accordance with its terms against the Company and/or any of its Subsidiaries and, to the knowledge of the Company, each other contracting party thereto, except as such enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium, liquidation, conservatorship, receivership or similar laws relating to, or affecting generally the enforcement of, creditor's rights and remedies or by other equitable principles of general application.

Section 4.17 Transactions With Affiliates. Except as set forth in the Commission Documents, there are no loans, leases, agreements, contracts, royalty agreements, management contracts, service arrangements or other continuing transactions exceeding \$120,000 between (a) the Company or any Subsidiary, on the one hand, and (b) any person or entity who would be covered by Item 404(a) of Regulation S-K, on the other hand. Except as disclosed in the Commission Documents, there are no outstanding amounts payable to or receivable from, or advances by the Company or any of its Subsidiaries to, and neither the Company nor any of its Subsidiaries is otherwise a creditor of or debtor to, any beneficial owner of more than 5% of the outstanding Common Shares, or any director, employee or affiliate of the Company or any of its Subsidiaries, other than (i) reimbursement for reasonable expenses incurred on behalf of the Company or any of its Subsidiaries or (ii) as part of the normal and customary terms of such persons' employment or service as a director with the Company or any of its Subsidiaries.

The Registration Statement, as of the Effective Date, meets the requirements set forth in Rule 415(a)(1)(x) under the Securities Act. The Base Prospectus complied in all material respects on its date, and will comply in all material respects on each applicable Fixed Request Exercise Date and, when taken together with the applicable Prospectus Supplement and any applicable Permitted Free Writing Prospectus, on each applicable Settlement Date, with the requirements of the Securities Act and did not on its date and on the Effective Date and shall not on each applicable Fixed Request Exercise Date and, when taken together with the applicable Prospectus Supplement and any applicable Permitted Free Writing Prospectus, on each applicable Settlement Date contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; provided that this representation and warranty does not apply to statements in or omissions from the Base Prospectus made in reliance upon and in conformity with information relating to the Investor furnished to the Company in writing by or on behalf of the Investor expressly for use therein.

(v) At the earliest time after the filing of the Registration Statement that the Company or another offering participant made a bona fide offer (within the meaning of Rule 164(h)(2) under the Securities Act) relating to the Shares, the Company was not and is not an Ineligible Issuer (as defined in Rule 405 under the Securities Act). Each Permitted Free Writing Prospectus (a) shall conform in all material respects to the requirements of the Securities Act on the date of its first use, (b) when considered together with the Prospectus on each applicable Fixed Request Exercise Date and on each applicable Settlement Date, shall not contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they are made, not misleading, and (c) shall not include any information that conflicts with the information contained in the Registration Statement, including any document incorporated by reference therein and any Prospectus Supplement deemed to be a part thereof that has not been superseded or modified. The immediately preceding sentence does not apply to statements in or omissions from any Permitted Free Writing Prospectus made in reliance upon and in conformity with information relating to the Investor furnished to the Company in writing by or on behalf of the Investor expressly for use therein.

As of the Effective Date, except as disclosed in the Registration Statement or the Commission Documents, no officer, consultant or key employee of the Company or any Subsidiary whose termination, either individually or in the aggregate, would reasonably be expected to have a Material Adverse Effect, has terminated or, to the knowledge of the Company, has any present intention of terminating his or her employment or engagement with the Company or any Subsidiary.

As used in this Section 4.22, the term “Plan” shall mean an “employee pension benefit plan” (as defined in Section 3 of ERISA) which is or has been established or maintained, or to which contributions are or have been made, by the Company or any Subsidiary or by any trade or business, whether or not incorporated, which, together with the Company or any Subsidiary, is under common control, as described in Section 414(b) or (c) of the Code.

Section 4.25 Acknowledgement Regarding Investor’s Purchase of Shares. The Company acknowledges and agrees that the Investor is acting solely in the capacity of an arm’s length purchaser with respect to this Agreement and the transactions contemplated hereunder. The Company further acknowledges that the Investor is not acting as a financial advisor or fiduciary of the Company (or in any similar capacity) with respect to this Agreement and the transactions contemplated hereunder, and any advice given by the Investor or any of its representatives or agents in connection with this Agreement and the transactions contemplated hereunder is merely incidental to the Investor’s purchase of the Shares.

ARTICLE V COVENANTS

The Company covenants with the Investor, and the Investor covenants with the Company, as follows, which covenants of one party are for the benefit of the other party, during the Investment Period:

Section 5.1 Securities Compliance. The Company shall notify the Commission and the Trading Market, as applicable, in accordance with their respective rules and regulations, of the transactions contemplated by this Agreement, and shall take all necessary action, undertake

all proceedings and obtain all registrations, permits, consents and approvals for the legal and valid issuance of the Shares to the Investor in accordance with the terms of this Agreement.

Section 5.2 Registration and Listing. The Company shall take all action necessary to cause the Common Shares to continue to be registered as a class of securities under Sections 12(b) or 12(g) of the Exchange Act, shall comply with its reporting and filing obligations under the Exchange Act, and shall not take any action or file any document (whether or not permitted by the Securities Act) to terminate or suspend such registration or to terminate or suspend its reporting and filing obligations under the Exchange Act or Securities Act, except as permitted herein. The Company shall take all action necessary to continue the listing and trading of its Common Shares and the listing of the Shares purchased by Investor hereunder on the Trading Market, and shall comply with the Company's reporting, filing and other obligations under the bylaws, listed securities maintenance standards and other rules of the Trading Market.

Section 5.3 Compliance with Laws.

(i) The Company shall comply, and cause each Subsidiary to comply, (a) with all laws, rules, regulations and orders applicable to the business and operations of the Company and its Subsidiaries except as would not have a Material Adverse Effect and (b) with all applicable provisions of the Securities Act, the Exchange Act and the listing standards of the Trading Market. Without limiting the generality of the foregoing, neither the Company nor any of its officers, directors or affiliates has taken or will take, directly or indirectly, any action designed or intended to stabilize or manipulate the price of any security of the Company, or which caused or resulted in, or which would in the future reasonably be expected to cause or result in, stabilization or manipulation of the price of any security of the Company.

(ii) The Investor shall comply with all laws, rules, regulations and orders applicable to the performance by it of its obligations under this Agreement and its investment in the Shares, except as would not, individually or in the aggregate, prohibit or otherwise interfere with the ability of the Investor to enter into and perform its obligations under this Agreement in any material respect. Without limiting the foregoing, the Investor shall comply with all applicable provisions of the Securities Act and the Exchange Act.

Section 5.4 Keeping of Records and Books of Account; Foreign Corrupt Practices Act

(i) The Company shall keep and cause each Subsidiary to keep adequate records and books of account, in which complete entries shall be made in accordance with GAAP consistently applied, reflecting all financial transactions of the Company and its Subsidiaries, and in which, for each fiscal year, all proper reserves for depreciation, depletion, obsolescence, amortization, taxes, bad debts and other purposes in connection with its business shall be made. The Company shall maintain a system of internal accounting controls that (a) pertain to the maintenance of records that in reasonable detail accurately and fairly reflect the transactions and dispositions of the assets of the Company; (b) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of

the Company; and (c) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of the Company's assets that could have a material effect on the Company's financial statements.

(ii) Neither the Company, nor any of its Subsidiaries, nor to the knowledge of the Company, any of their respective directors, officers, agents, employees or any other persons acting on their behalf shall, in connection with the operation of the Company's and its Subsidiaries' respective businesses, (a) use any corporate funds for unlawful contributions, payments, gifts or entertainment or to make any unlawful expenditures relating to political activity to government officials, candidates or members of political parties or organizations, (b) pay, accept or receive any unlawful contributions, payments, expenditures or gifts, or (c) violate or operate in noncompliance with any export restrictions, anti-boycott regulations, embargo regulations or other applicable domestic or foreign laws and regulations.

(iii) Subject to the requirements of Section 5.12 of this Agreement, from time to time from and after the period beginning with the third Trading Day immediately preceding each Fixed Request Exercise Date through and including the applicable Settlement Date, the Company shall make available for inspection and review by the Investor, customary documentation allowing the Investor and/or its appointed counsel or advisors to conduct due diligence.

Section 5.5 Limitations on Holdings and Issuances. At no time during the term of this Agreement shall the Investor directly or indirectly own more than 9.9% of the then issued and outstanding Common Shares. The Company shall not be obligated to issue and the Investor shall not be obligated to purchase any Common Shares which would result in the issuance under this Agreement to the Investor at any time of Shares which, when aggregated with all other Common Shares then owned beneficially by the Investor, would result in the beneficial ownership by the Investor of more than 9.9% of the then issued and outstanding Common Shares.

Section 5.6 Other Agreements and Other Financings

(i) The Company shall not enter into, announce or recommend to its shareholders any agreement, plan, arrangement or transaction in or of which the terms thereof would restrict, materially delay, conflict with or impair the ability or right of the Company or any Subsidiary to perform its obligations under this Agreement, including, without limitation, the obligation of the Company to deliver Shares to the Investor in respect of a Fixed Request or Optional Amount on the applicable Settlement Date.

(ii) The Company shall notify the Investor, within 48 hours, if it enters into any agreement, plan, arrangement or transaction with a third party, the principal purpose of which is to obtain during a Pricing Period an Other Financing not constituting an Acceptable Financing (an "Other Financing Notice"); provided, however, that the Company shall notify the Investor as soon as reasonably practicable but in no event later than 24 hours (an "Integration Notice") if it enters into any agreement, plan, arrangement or transaction with a third party, the principal purpose of which is to obtain at any time during the Investment Period an Other Financing that may be aggregated with the transactions contemplated by this Agreement for

purposes of determining whether approval of the Company's shareholders is required under any bylaw, listed securities maintenance standards or other rules of the Trading Market and, if required under applicable law, including, without limitation, Regulation FD promulgated by the Commission, or under the applicable rules and regulations of the Trading Market, the Company shall publicly disclose such information in accordance with Regulation FD and the applicable rules and regulations of the Trading Market. For purposes of this Section 5.6(ii), any press release issued by, or Commission Document filed by, the Company shall constitute sufficient notice, provided that it is issued or filed, as the case may be, within the time requirements set forth in the first sentence of this Section 5.6(ii) for an Other Financing Notice or an Integration Notice, as applicable. During any Pricing Period in which the Company is required to provide an Other Financing Notice pursuant to the first sentence of this Section 5.6(ii), the Investor shall (i) have the option to purchase the Shares subject to the Fixed Request at (x) the price therefor in accordance with the terms of this Agreement or (y) the third party's per share purchase price in connection with the Other Financing, net of such third party's discounts, Warrant Value and fees, or (ii) the Investor may elect to not purchase any Shares subject to the Fixed Request for that Pricing Period. An "Other Financing" shall mean (x) the issuance of Common Shares for a purchase price less than, or the issuance of securities convertible into or exchangeable for Common Shares at an exercise or conversion price (as the case may be) less than, the then Current Market Price of the Common Shares (in each case, after all fees, discounts, Warrant Value and commissions associated with the transaction) (a "Below Market Offering"); (y) the implementation by the Company of any mechanism in respect of any securities convertible into or exchangeable for Common Shares for the reset of the purchase price of the Common Shares to below the then Current Market Price of the Common Shares (including, without limitation, any antidilution or similar adjustment provisions in respect of any Company securities, but specifically excluding customary adjustments for stock splits, stock dividends, stock combinations and similar events); or (z) the issuance of options, warrants or similar rights of subscription in each case not constituting an Acceptable Financing. "Acceptable Financing" shall mean the issuance by the Company of: (1) Common Shares or securities convertible into or exchangeable for Common Shares other than in connection with a Below Market Offering; (2) Common Shares or securities convertible into or exchangeable for Common Shares in connection with awards under the Company's benefit and equity plans and arrangements or shareholder rights plan and the issuance of Common Shares upon the conversion, exercise or exchange thereof; (3) Common Shares issuable upon the conversion or exchange of equity awards or convertible or exchangeable securities outstanding as of the Effective Date; (4) Common Shares or securities convertible into or exchangeable for Common Shares or similar rights to subscribe for the purchase of shares of Common Shares in connection with technology sharing, licensing, research and joint development agreements (or amendments thereto) with third parties, and the issuance of Common Shares upon the conversion, exercise or exchange thereof; and (5) Common Shares and/or warrants or similar rights to subscribe for the purchase of Common Shares issued in connection with equipment financings and/or real property leases (or amendments thereto) and the issuance of Common Shares upon the exercise thereof.

Section 5.7 Stop Orders. The Company shall advise the Investor as soon as reasonably practicable, but in no event later than 24 hours, and shall confirm such advice in writing: (i) of the Company's receipt of notice of any request by the Commission for amendment of or a supplement to the Registration Statement, the Prospectus, any Permitted Free Writing

Prospectus or for any additional information; (ii) of the Company's receipt of notice of the issuance by the Commission of any stop order suspending the effectiveness of the Registration Statement or prohibiting or suspending the use of the Prospectus or any Prospectus Supplement, or of the suspension of qualification of the Shares for offering or sale in any jurisdiction, or the initiation or contemplated initiation of any proceeding for such purpose; and (iii) of the Company becoming aware of the happening of any event, which makes any statement of a material fact made in the Registration Statement, the Prospectus or any Permitted Free Writing Prospectus untrue or which requires the making of any additions to or changes to the statements then made in the Registration Statement, the Prospectus or any Permitted Free Writing Prospectus in order to state a material fact required by the Securities Act to be stated therein or necessary in order to make the statements then made therein (in the case of the Prospectus, in light of the circumstances under which they were made) not misleading, or of the necessity to amend the Registration Statement or supplement the Prospectus or any Permitted Free Writing Prospectus to comply with the Securities Act or any other law. The Company shall not be required to disclose to the Investor the substance or specific reasons of any of the events set forth in clauses (i) through (iii) of the immediately preceding sentence, but rather, shall only be required to disclose that the event has occurred. The Company shall not issue any Fixed Request during the continuation of any of the foregoing events. If at any time the Commission shall issue any stop order suspending the effectiveness of the Registration Statement or prohibiting or suspending the use of the Prospectus or any Prospectus Supplement, the Company shall use commercially reasonable efforts to obtain the withdrawal of such order at the earliest possible time.

Section 5.8 Amendments to the Registration Statement; Prospectus Supplements; Free Writing Prospectuses

(i) Except as provided in this Agreement and other than periodic reports required to be filed pursuant to the Exchange Act, the Company shall not file with the Commission any amendment to the Registration Statement that relates to the Investor, the Agreement or the transactions contemplated hereby or file with the Commission any Prospectus Supplement that relates to the Investor, this Agreement or the transactions contemplated hereby with respect to which (a) the Investor shall not previously have been advised, (b) the Company shall not have given due consideration to any comments thereon received from the Investor or its counsel, or (c) the Investor shall reasonably object after being so advised, unless the Company has determined that it is necessary to amend the Registration Statement or make any supplement to the Prospectus to comply with the Securities Act or any other applicable law or regulation, in which case the Company shall immediately so inform the Investor, the Investor shall be provided with a reasonable opportunity to review and comment upon any disclosure relating to the Investor and the Company shall expeditiously furnish to the Investor an electronic copy thereof. In addition, for so long as, in the reasonable opinion of counsel for the Investor, the Prospectus (or in lieu thereof, the notice referred to in Rule 173(a) under the Securities Act) is required to be delivered in connection with any purchase of Shares by the Investor, the Company shall not file any Prospectus Supplement with respect to the Shares without delivering or making available a copy of such Prospectus Supplement, together with the Base Prospectus, to the Investor promptly.

(ii) The Company agrees that it has not made and, unless it obtains the prior written consent of the Investor, it will not make an offer relating to the Shares that would

constitute an Issuer Free Writing Prospectus or that would otherwise constitute a Free Writing Prospectus required to be filed by the Company or the Investor with the Commission or retained by the Company or the Investor under Rule 433 under the Securities Act. The Investor agrees that it has not made and, unless it obtains the prior written consent of the Company, it will not make an offer relating to the Shares that would constitute a Free Writing Prospectus required to be filed by the Company with the Commission or retained by the Company under Rule 433 under the Securities Act. Any such Issuer Free Writing Prospectus or other Free Writing Prospectus consented to by the Investor or the Company is referred to in this Agreement as a “Permitted Free Writing Prospectus.” The Company agrees that (x) it has treated and will treat, as the case may be, each Permitted Free Writing Prospectus as an Issuer Free Writing Prospectus and (y) it has complied and will comply, as the case may be, with the requirements of Rules 164 and 433 under the Securities Act applicable to any Permitted Free Writing Prospectus, including in respect of timely filing with the Commission, legending and record keeping.

Section 5.9 Prospectus Delivery. The Company shall file with (i) the Commission pursuant to Rule 424(b) under the Securities Act and (ii) if applicable, the Registrar of Companies in Bermuda a Prospectus Supplement on the first Trading Day immediately following the last Trading Day of each Pricing Period. The Company shall provide the Investor a reasonable opportunity to comment on a draft of each such Prospectus Supplement and any Issuer Free Writing Prospectus, shall give due consideration to all such comments and, subject to the provisions of Section 5.8 hereof, shall deliver or make available to the Investor, without charge, an electronic copy of each form of Prospectus Supplement, together with the Base Prospectus, and any Permitted Free Writing Prospectus on each applicable Settlement Date. The Company consents to the use of the Prospectus (and of any Prospectus Supplement thereto) in accordance with the provisions of the Securities Act and with the securities or “blue sky” laws of the jurisdictions in which the Shares may be sold by the Investor, in connection with the offering and sale of the Shares and for such period of time thereafter as the Prospectus (or in lieu thereof, the notice referred to in Rule 173(a) under the Securities Act) is required by the Securities Act to be delivered in connection with sales of the Shares. If during such period of time any event shall occur that in the judgment of the Company and its counsel is required to be set forth in the Registration Statement or the Prospectus or any Permitted Free Writing Prospectus or should be set forth therein in order to make the statements made therein (in the case of the Prospectus, in light of the circumstances under which they were made) not misleading, or if it is necessary to amend the Registration Statement or supplement or amend the Prospectus or any Permitted Free Writing Prospectus to comply with the Securities Act or any other applicable law or regulation, the Company shall forthwith prepare and, subject to Section 5.8 above, file with the Commission an appropriate amendment to the Registration Statement or Prospectus Supplement to the Prospectus (or supplement to the Permitted Free Writing Prospectus) and shall expeditiously furnish or make available to the Investor an electronic copy thereof.

Section 5.10 Selling Restrictions.

(i) The Investor covenants that from and after the date hereof through and including the 90th day next following the termination of this Agreement (the “Restricted Period”), neither the Investor nor any of its affiliates (within the meaning of the Exchange Act) nor any entity managed or controlled by the Investor shall, directly or indirectly, sell any securities of the Company, except the Shares that it owns or has the right to purchase as provided

in a Fixed Request Notice. During the Restricted Period, neither the Investor or any of its affiliates nor any entity managed or controlled by the Investor shall sell any Common Shares of the Company it does not “own” or have the unconditional right to receive under the terms of this Agreement (within the meaning of Rule 200 of Regulation SHO promulgated by the Commission under the Exchange Act), including Shares in any account of the Investor or in any account directly or indirectly managed or controlled by the Investor or any of its affiliates or any entity managed or controlled by the Investor. Without limiting the generality of the foregoing, prior to and during the Restricted Period, neither the Investor nor any of its affiliates nor any entity managed or controlled by the Investor or any of its affiliates shall enter into a short position with respect to Common Shares of the Company, including in any account of the Investor’s or in any account directly or indirectly managed or controlled by the Investor or any of its Affiliates or any entity managed or controlled by the Investor, except that the Investor may sell Shares that it is obligated to purchase under a pending Fixed Request Notice but has not yet taken possession of so long as the Investor (or the Broker-Dealer, as applicable) covers any such sales with the Shares purchased pursuant to such Fixed Request Notice; provided, however, that the Investor (or the Broker-Dealer, as applicable) shall not be required to cover any such sales with the Shares purchased pursuant to such Fixed Request Notice if (a) the Fixed Request is terminated by mutual agreement of the Company and the Investor and, as a result of such termination, no Shares are delivered to the Investor under this Agreement or (b) the Company otherwise fails to deliver such Shares to the Investor on the applicable Settlement Date upon the terms and subject to the provisions of this Agreement. Prior to and during the Restricted Period, the Investor shall not grant any option to purchase or acquire any right to dispose or otherwise dispose for value of any Common Shares or any securities convertible into or exercisable or exchangeable for, or warrants to purchase, any Common Shares, or enter into any swap, hedge or other agreement that transfers, in whole or in part, the economic risk of ownership of the Common Shares, except for such sales expressly permitted by this Section 5.10(i).

(ii) In addition to the foregoing, in connection with any sale of the Company’s securities (including any sale permitted by paragraph (i) above), the Investor shall comply in all respects with all applicable laws, rules, regulations and orders, including, without limitation, the requirements of the Securities Act and the Exchange Act.

Section 5.11 Effective Registration Statement. During the Investment Period, the Company shall use its reasonable best efforts to maintain the continuous effectiveness of the Registration Statement under the Securities Act.

Section 5.12 Non-Public Information. Neither the Company nor any of its directors, officers or agents shall disclose any material non-public information about the Company to the Investor, unless a public announcement thereof is made by the Company in the manner contemplated by Regulation FD.

Section 5.13 Broker/Dealer. The Investor shall use one or more broker-dealers to effectuate all sales, if any, of the Shares that it may purchase from the Company pursuant to this Agreement which (or whom) shall be unaffiliated with the Investor and not then currently engaged or used by the Company (collectively, the “Broker-Dealer”). The Investor shall provide the Company with all information regarding the Broker-Dealer reasonably requested by the

Company. The Investor shall be solely responsible for all fees and commissions of the Broker-Dealer.

Section 5.14 Disclosure Schedule.

(i) During the Investment Period, the Company shall from time to time update the Disclosure Schedule as may be required to satisfy the condition set forth in Section 6.3(i). For purposes of this Section 5.14, any disclosure made in a schedule to the Compliance Certificate substantially in the form attached hereto as Exhibit D shall be deemed to be an update of the Disclosure Schedule. Notwithstanding anything in this Agreement to the contrary, no update to the Disclosure Schedule pursuant to this Section 5.14 shall cure any breach of a representation or warranty of the Company contained in this Agreement and shall not affect any of the Investor's rights or remedies with respect thereto.

(ii) Notwithstanding anything to the contrary contained in the Disclosure Schedules or in this Agreement, the information and disclosure contained in any Schedule of the Disclosure Schedules shall be deemed to be disclosed and incorporated by reference in any other Schedule of the Disclosure Schedules as though fully set forth in such Schedule for which applicability of such information and disclosure is readily apparent on its face. The fact that any item of information is disclosed in the Disclosure Schedules shall not be construed to mean that such information is required to be disclosed by this Agreement. Except as expressly set forth in this Agreement, such information and the thresholds (whether based on quantity, qualitative characterization, dollar amounts or otherwise) set forth herein shall not be used as a basis for interpreting the terms "material" or "Material Adverse Effect" or other similar terms in this Agreement.

**ARTICLE VI
OPINION OF COUNSEL AND CERTIFICATE; CONDITIONS TO THE SALE AND
PURCHASE OF THE SHARES**

Section 6.1 Opinion of Counsel and Certificate. Simultaneously with the execution and delivery of this Agreement, the Investor has received (i) opinions of outside counsel to the Company, dated the Effective Date, in the form mutually agreed to by the parties hereto, and (ii) a certificate from the Company, dated the Effective Date, in the form of Exhibit C hereto.

Section 6.2 Conditions Precedent to the Obligation of the Company. The obligation hereunder of the Company to issue and sell the Shares to the Investor under any Fixed Request or Optional Amount is subject to the satisfaction or (to the extent permitted by applicable law) waiver of each of the conditions set forth below. These conditions are for the Company's sole benefit and (to the extent permitted by applicable law) may be waived by the Company at any time in its sole discretion.

(i) **Accuracy of the Investor's Representations and Warranties.** The representations and warranties of the Investor contained in this Agreement (i) that are not qualified by "materiality" shall have been true and correct in all material respects when made and shall be true and correct in all material respects as of the applicable Fixed Request Exercise Date and the applicable Settlement Date with the same force and effect as if made on such dates,

(ii) **Registration Statement.** The Registration Statement is effective and neither the Company nor the Investor shall have received notice that the Commission has issued or intends to issue a stop order with respect to the Registration Statement. The Company shall have a maximum dollar amount certain of Shares registered under the Registration Statement which are in an amount (A) as of the Effective Date, not less than the Total Commitment and (B) as of the applicable Fixed Request Exercise Date, not less than the maximum dollar amount worth of Shares issuable pursuant to the applicable Fixed Request Notice and applicable Optional Amount, if any. The Current Report shall have been filed with the Commission, as required pursuant to Section 1.4, and all Prospectus Supplements shall have been filed with the Commission, as required pursuant to Sections 1.4 and 5.9 hereof, to disclose the sale of the Shares prior to each Settlement Date, as applicable. Any other material required to be filed by the Company or any other offering participant pursuant to Rule 433(d) under the Securities Act shall have been filed with the Commission within the applicable time periods prescribed for such filings by Rule 433 under the Securities Act.

(iii) **Performance by the Investor.** The Investor shall have performed, satisfied and complied in all material respects with all covenants, agreements and conditions required by this Agreement to be performed, satisfied or complied with by the Investor at or prior to the applicable Fixed Request Exercise Date and the applicable Settlement Date.

(iv) **No Injunction.** No statute, regulation, order, decree, writ, ruling or injunction shall have been enacted, entered, promulgated, threatened or endorsed by any court or governmental authority of competent jurisdiction which prohibits the consummation of or which would materially modify or delay any of the transactions contemplated by this Agreement.

(v) **No Suspension, Etc.** Trading in the Common Shares shall not have been suspended by the Commission or the Trading Market (except for any suspension of trading of limited duration agreed to by the Company, which suspension shall be terminated prior to the applicable Fixed Request Exercise Date and applicable Settlement Date), and, at any time prior to the applicable Fixed Request Exercise Date and applicable Settlement Date, none of the events described in clauses (i), (ii) and (iii) of Section 5.7 shall have occurred, trading in securities generally as reported on the Trading Market shall not have been suspended or limited, nor shall a banking moratorium have been declared either by the United States or New York State authorities, nor shall there have occurred any material outbreak or escalation of hostilities or other national or international calamity or crisis of such magnitude in its effect on, or any material adverse change in, any financial, credit or securities market which, in each case, in the reasonable judgment of the Company, makes it impracticable or inadvisable to issue the Shares.

(vi) **No Proceedings or Litigation.** No action, suit or proceeding before any arbitrator or any court or governmental authority shall have been commenced or threatened, and no inquiry or investigation by any governmental authority shall have been commenced or threatened, against the Company or any Subsidiary, or any of the officers, directors or affiliates of the Company or any Subsidiary, seeking to restrain, prevent or change the transactions contemplated by this Agreement, or seeking damages in connection with such transactions.

(vii) **Aggregate Limit.** The issuance and sale of the Shares issuable pursuant to such Fixed Request Notice or Optional Amount shall not violate Sections 2.2, 2.12 and 5.5 hereof.

Section 6.3 Conditions Precedent to the Obligation of the Investor. The obligation hereunder of the Investor to accept a Fixed Request Notice or Optional Amount grant and to acquire and pay for the Shares is subject to the satisfaction or (to the extent permitted by applicable law) waiver, at or before each Fixed Request Exercise Date and each Settlement Date, of each of the conditions set forth below. These conditions are for the Investor's sole benefit and (to the extent permitted by applicable law) may be waived by the Investor at any time in its sole discretion.

(i) **Accuracy of the Company's Representations and Warranties.** The representations and warranties of the Company contained in this Agreement (i) that are not qualified by "materiality" or "Material Adverse Effect" shall have been true and correct in all material respects when made and shall be true and correct in all material respects as of the applicable Fixed Request Exercise Date and the applicable Settlement Date with the same force and effect as if made on such dates, except to the extent such representations and warranties are as of another date, in which case, such representations and warranties shall be true and correct in all material respects as of such other date and (ii) that are qualified by "materiality" or "Material Adverse Effect" shall have been true and correct when made and shall be true and correct as of the applicable Fixed Request Exercise Date and the applicable Settlement Date with the same force and effect as if made on such dates, except to the extent such representations and warranties are as of another date, in which case, such representations and warranties shall be true and correct as of such other date.

(ii) **Registration Statement.** The Registration Statement is effective and neither the Company nor the Investor shall have received notice that the Commission has issued or intends to issue a stop order with respect to the Registration Statement. The Company shall have a maximum dollar amount certain of Shares registered under the Registration Statement which are in an amount (A) as of the Effective Date, not less than the Total Commitment and (B) as of the applicable Fixed Request Exercise Date, not less than the maximum dollar amount worth of Shares issuable pursuant to the applicable Fixed Request Notice and applicable Optional Amount, if any. The Current Report shall have been filed with the Commission, as required pursuant to Section 1.4, and all Prospectus Supplements shall have been filed with the Commission, as required pursuant to Sections 1.4 and 5.9 hereof, to disclose the sale of the Shares prior to each Settlement Date, as applicable, and an electronic copy of each such Prospectus Supplement together with the Base Prospectus shall have been delivered or made available to the Investor in accordance with Section 5.9 hereof. Any other material required to be filed by the Company or any other offering participant pursuant to Rule 433(d) under the

Securities Act shall have been filed with the Commission within the applicable time periods prescribed for such filings by Rule 433 under the Securities Act.

(iii) **No Suspension.** Trading in the Common Shares shall not have been suspended by the Commission or the Trading Market (except for any suspension of trading of limited duration agreed to by the Company, which suspension shall be terminated prior to the applicable Fixed Request Exercise Date and applicable Settlement Date), and, at any time prior to the applicable Fixed Request Exercise Date and applicable Settlement Date, none of the events described in clauses (i), (ii) and (iii) of Section 5.7 shall have occurred, trading in securities generally as reported on the Trading Market shall not have been suspended or limited, nor shall a banking moratorium have been declared either by the United States or New York State authorities, nor shall there have occurred any material outbreak or escalation of hostilities or other national or international calamity or crisis of such magnitude in its effect on, or any material adverse change in, any financial, credit or securities market which, in each case, in the reasonable judgment of the Investor, makes it impracticable or inadvisable to purchase the Shares.

(iv) **Performance of the Company.** The Company shall have performed, satisfied and complied in all material respects with all covenants, agreements and conditions required by this Agreement to be performed, satisfied or complied with by the Company at or prior to the applicable Fixed Request Exercise Date and the applicable Settlement Date and shall have delivered to the Investor on the applicable Settlement Date the Compliance Certificate substantially in the form attached hereto as Exhibit D.

(v) **No Injunction.** No statute, rule, regulation, order, decree, writ, ruling or injunction shall have been enacted, entered, promulgated, threatened or endorsed by any court or governmental authority of competent jurisdiction which prohibits the consummation of or which would materially modify or delay any of the transactions contemplated by this Agreement.

(vi) **No Proceedings or Litigation.** No action, suit or proceeding before any arbitrator or any court or governmental authority shall have been commenced or threatened, and no inquiry or investigation by any governmental authority shall have been commenced or threatened, against the Company or any Subsidiary, or any of the officers, directors or affiliates of the Company or any Subsidiary, seeking to restrain, prevent or change the transactions contemplated by this Agreement, or seeking damages in connection with such transactions.

(vii) **Aggregate Limit.** The issuance and sale of the Shares issuable pursuant to such Fixed Request Notice or Optional Amount shall not violate Sections 2.2, 2.12 and 5.5 hereof.

(viii) **Shares Authorized.** The Shares issuable pursuant to such Fixed Request Notice or Optional Amount shall have been duly authorized by all necessary corporate action of the Company.

(ix) **Notification of Listing of Shares.** If required, the Company shall have submitted to the Trading Market a notification form of listing of additional shares related to the

Shares issuable pursuant to such Fixed Request or Optional Amount in accordance with the bylaws, listed securities maintenance standards and other rules of the Trading Market.

(x) **Opinions of Counsel; Bring-Down.** Subsequent to the filing of the Current Report pursuant to Section 1.4 and prior to the first Fixed Request Exercise Date, the Investor shall have received an opinion from outside counsel to the Company in the form mutually agreed to by the parties hereto and an opinion from in-house counsel to the Company in the form mutually agreed to by the parties hereto. On each Settlement Date, the Investor shall have received opinion “bring downs” from outside counsel to the Company in the forms mutually agreed to by the parties hereto and an opinion “bring down” from in-house counsel to the Company in the form mutually agreed to by the parties hereto.

(xi) **Payment of Investor’s Counsel Fees; Due Diligence Expenses.** On the Effective Date, the Company shall have paid by wire transfer of immediately available funds to an account designated by the Investor’s counsel, the fees and expenses of the Investor’s counsel in accordance with the proviso to the first sentence of Section 9.1(i) of this Agreement. On the 30th day of the third month in each calendar quarter during the Investment Period, the Company shall have paid by wire transfer of immediately available funds to an account designated by the Investor, the due diligence expenses incurred by the Investor in accordance with the provisions of the second sentence of Section 9.1(i) of this Agreement.

ARTICLE VII TERMINATION

Section 7.1 Term, Termination by Mutual Consent. Unless earlier terminated as provided hereunder, this Agreement shall terminate automatically on the earliest of (i) the first day of the month next following the 24-month anniversary of the Effective Date (the “Investment Period”), (ii) the date that the entire dollar amount of Shares registered under the Registration Statement have been issued and sold and (iii) the date the Investor shall have purchased the Total Commitment of Common Shares (subject in all cases to the Trading Market Limit). The Company may terminate this Agreement effective upon three Trading Days’ prior written notice to the Investor in accordance with Section 9.4; provided, however, that such termination shall not occur during a Pricing Period or prior to a Settlement Date. This Agreement may be terminated at any time by the mutual written consent of the parties, effective as of the date of such mutual written consent unless otherwise provided in such written consent, it being hereby acknowledged and agreed that the Investor may not consent to such termination during a Pricing Period or prior to a Settlement Date in the event the Investor has instructed the Broker-Dealer to effect an open-market sale of Shares which are subject to a pending Fixed Request Notice but which have not yet been physically delivered by the Company (and/or credited by book-entry) to the Investor in accordance with the terms and subject to the conditions of this Agreement.

Section 7.2 Other Termination

. If the Company provides the Investor with an Other Financing Notice (other than in respect of an underwritten public offering of equity securities of the Company or a registered direct public offering of equity securities of the Company) or an Integration Notice, in each case pursuant to Section 5.6(ii) of this Agreement, or if the Company otherwise enters into any agreement, plan, arrangement or transaction with a third party, the principal purpose of which is to obtain outside a Pricing Period, but otherwise during the

Investment Period, an Other Financing not constituting an Acceptable Financing (other than in respect of an underwritten public offering of equity securities of the Company or a registered direct public offering of equity securities of the Company), in which latter case the Company shall so notify the Investor within 48 hours thereof, then in all such cases the Investor shall have the right to terminate this Agreement within the subsequent 30-day period (the “Event Period”), effective upon one Trading Day’s prior written notice delivered to the Company in accordance with Section 9.4 at any time during the Event Period. The Company shall notify the Investor as soon as reasonably practicable but in no event later than 24 hours (and, if required under applicable law, including, without limitation, Regulation FD promulgated by the Commission, or under the applicable rules and regulations of the Trading Market, the Company shall publicly disclose such information in accordance with Regulation FD and the applicable rules and regulations of the Trading Market), and the Investor shall have the right to terminate this Agreement at any time after receipt of such notification, if: (i) any condition, occurrence, state of facts or event constituting a Material Adverse Effect has occurred; (ii) a Material Change in Ownership has occurred or the Company enters into a definitive agreement providing for a Material Change in Ownership; or (iii) a default or event of default has occurred and is continuing under the terms of any agreement, contract, note or other instrument to which the Company or any of its Subsidiaries is a party with respect to any indebtedness for borrowed money representing more than 10% of the Company’s consolidated assets, in any such case, upon one Trading Day’s prior written notice delivered to the Company in accordance with Section 9.4 hereof.

Section 7.3 Effect of Termination. In the event of termination by the Company or the Investor, written notice thereof shall forthwith be given to the other party as provided in Section 9.4 and the transactions contemplated by this Agreement shall be terminated without further action by either party. If this Agreement is terminated as provided in Section 7.1 or 7.2 herein, this Agreement shall become void and of no further force and effect, except as provided in Section 9.9 hereof. Nothing in this Section 7.3 shall be deemed to release the Company or the Investor from any liability for any breach under this Agreement, or to impair the rights of the Company and the Investor to compel specific performance by the other party of its obligations under this Agreement.

ARTICLE VIII INDEMNIFICATION

Section 8.1 General Indemnity.

(i) **Indemnification by the Company.** The Company shall indemnify and hold harmless the Investor, the Broker-Dealer, each affiliate, employee, representative and advisor of and to the Investor and the Broker-Dealer, and each person, if any, who controls the Investor or the Broker-Dealer within the meaning of Section 15 of the Securities Act or Section 20(a) of the Exchange Act from and against all losses, claims, damages, liabilities and expenses (including reasonable costs of defense and investigation and all attorneys’ fees) to which the Investor, the Broker-Dealer and each such other person may become subject, under the Securities Act or otherwise, insofar as such losses, claims, damages, liabilities and expenses (or actions in respect thereof) arise out of or are based upon (i) any untrue statement or alleged untrue statement of a material fact contained, or incorporated by reference, in the Registration

Statement or any amendment thereto or any omission or alleged omission to state therein, or in any document incorporated by reference therein, a material fact required to be stated therein or necessary to make the statements therein not misleading, or (ii) any untrue statement or alleged untrue statement of a material fact contained, or incorporated by reference, in the Prospectus, any Issuer Free Writing Prospectus, or in any amendment thereof or supplement thereto, or in any "issuer information" (as defined in Rule 433 under the Securities Act) of the Company, which "issuer information" is required to be, or is, filed with the Commission or otherwise contained in any Free Writing Prospectus, or any amendment or supplement thereto, or any omission or alleged omission to state therein, or in any document incorporated by reference therein, a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading; provided, however, that (A) the Company shall not be liable under this Section 8.1(i) to the extent that a court of competent jurisdiction shall have determined by a final judgment (from which no further appeals are available) that such loss, claim, damage, liability or expense resulting directly and solely from any such acts or failures to act, undertaken or omitted to be taken by the Investor, any Broker-Dealer or such person through its bad faith or willful misconduct, (B) the foregoing indemnity shall not apply to any loss, claim, damage, liability or expense to the extent, but only to the extent, arising out of or based upon any untrue statement or alleged untrue statement or omission or alleged omission made in reliance upon and in conformity with written information furnished to the Company by the Investor or any Broker-Dealer expressly for use in the Current Report or any Prospectus Supplement or Permitted Free Writing Prospectus, or any amendment thereof or supplement thereto, and (C) with respect to the Prospectus, the foregoing indemnity shall not inure to the benefit of the Investor or any such person from whom the person asserting any loss, claim, damage, liability or expense purchased Common Shares, if copies of all Prospectus Supplements required to be filed pursuant to Section 1.4 and 5.9, together with the Base Prospectus, were timely delivered or made available to the Investor pursuant hereto and a copy of the Base Prospectus, together with a Prospectus Supplement (as applicable), was not sent or given by or on behalf of the Investor or any such person to such person, if required by law to have been delivered, at or prior to the written confirmation of the sale of the Common Shares to such person, and if delivery of the Base Prospectus, together with a Prospectus Supplement (as applicable), would have cured the defect giving rise to such loss, claim, damage, liability or expense.

The Company shall reimburse the Investor, the Broker-Dealer and each such controlling person promptly upon demand (with accompanying presentation of documentary evidence) for all legal and other costs and expenses reasonably incurred by the Investor, the Broker-Dealer or such indemnified persons in investigating, defending against, or preparing to defend against any such claim, action, suit or proceeding with respect to which it is entitled to indemnification.

(ii) **Indemnification by the Investor.** The Investor shall indemnify and hold harmless the Company, each of its directors and officers, and each person, if any, who controls the Company within the meaning of Section 15 of the Securities Act or Section 20(a) of the Exchange Act from and against all losses, claims, damages, liabilities and expenses (including reasonable costs of defense and investigation and all attorneys fees) to which the Company and each such other person may become subject, under the Securities Act or otherwise, insofar as such losses, claims, damages, liabilities and expenses (or actions in respect thereof) arise out of

or are based upon any untrue statement or alleged untrue statement of a material fact contained in the Current Report or any Prospectus Supplement or Permitted Free Writing Prospectus, or in any amendment thereof or supplement thereto, or any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading, in each case, to the extent, but only to the extent, the untrue statement, alleged untrue statement, omission or alleged omission was made in reliance upon, and in conformity with, written information furnished by the Investor to the Company expressly for inclusion in the Current Report or such Prospectus Supplement or Permitted Free Writing Prospectus, or any amendment thereof or supplement thereto.

The Investor shall reimburse the Company and each such director, officer or controlling person promptly upon demand for all legal and other costs and expenses reasonably incurred by the Company or such indemnified persons in investigating, defending against, or preparing to defend against any such claim, action, suit or proceeding with respect to which it is entitled to indemnification.

Section 8.2 Indemnification Procedures. Promptly after a person receives notice of a claim or the commencement of an action for which the person intends to seek indemnification under Section 8.1, the person will notify the indemnifying party in writing of the claim or commencement of the action, suit or proceeding; provided, however, that failure to notify the indemnifying party will not relieve the indemnifying party from liability under Section 8.1, except to the extent it has been materially prejudiced by the failure to give notice. The indemnifying party will be entitled to participate in the defense of any claim, action, suit or proceeding as to which indemnification is being sought, and if the indemnifying party acknowledges in writing the obligation to indemnify the party against whom the claim or action is brought, the indemnifying party may (but will not be required to) assume the defense against the claim, action, suit or proceeding with counsel satisfactory to it. After an indemnifying party notifies an indemnified party that the indemnifying party wishes to assume the defense of a claim, action, suit or proceeding, the indemnifying party will not be liable for any legal or other expenses incurred by the indemnified party in connection with the defense against the claim, action, suit or proceeding except that if, in the opinion of counsel to the indemnifying party, one or more of the indemnified parties should be separately represented in connection with a claim, action, suit or proceeding, the indemnifying party will pay the reasonable fees and expenses of one separate counsel for the indemnified parties. Each indemnified party, as a condition to receiving indemnification as provided in Section 8.1, will cooperate in all reasonable respects with the indemnifying party in the defense of any action or claim as to which indemnification is sought. No indemnifying party will be liable for any settlement of any action effected without its prior written consent. Notwithstanding the foregoing sentence, if at any time an indemnified party shall have requested (by written notice provided in accordance with Section 9.4) an indemnifying party to reimburse the indemnified party for fees and expenses of counsel, such indemnifying party agrees that it shall be liable for any settlement of the nature contemplated hereby effected without its written consent if (i) such settlement is entered into more than 45 days after receipt by such indemnifying party of the aforesaid request, (ii) such indemnifying party shall have received written notice of the terms of such settlement at least 30 days prior to such settlement being entered into and (iii) such indemnifying party shall not have reimbursed

such indemnified party in accordance with such request prior to the date of such settlement. No indemnifying party will, without the prior written consent of the indemnified party, effect any settlement of a pending or threatened action with respect to which an indemnified party is, or is informed that it may be, made a party and for which it would be entitled to indemnification, unless the settlement includes an unconditional release of the indemnified party from all liability and claims which are the subject matter of the pending or threatened action.

If for any reason the indemnification provided for in this Agreement is not available to, or is not sufficient to hold harmless, an indemnified party in respect of any loss or liability referred to in Section 8.1 as to which such indemnified party is entitled to indemnification thereunder (other than by virtue of the application of clauses (i)(A), (B) or (C) of Section 8.1 above), each indemnifying party shall, in lieu of indemnifying the indemnified party, contribute to the amount paid or payable by the indemnified party as a result of such loss or liability, (i) in the proportion which is appropriate to reflect the relative benefits received by the indemnifying party, on the one hand, and by the indemnified party, on the other hand, from the sale of Shares which is the subject of the claim, action, suit or proceeding which resulted in the loss or liability or (ii) if the allocation provided by clause (i) is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) above, but also the relative fault of the indemnifying party, on the one hand, and the indemnified party, on the other hand, with respect to the statements or omissions which are the subject of the claim, action, suit or proceeding that resulted in the loss or liability, as well as any other relevant equitable considerations.

The remedies provided for in Section 8.1 and this Section 8.2 are not exclusive and shall not limit any rights or remedies which may otherwise be available to any Indemnified Person at law or in equity.

ARTICLE IX MISCELLANEOUS

Section 9.1 Fees and Expenses.

(i) Each party shall bear its own fees and expenses related to the transactions contemplated by this Agreement provided, however, that the Company shall pay, on the Effective Date, by wire transfer of immediately available funds to an account designated by the Investor's counsel, promptly following the receipt of an invoice therefor, all reasonable attorneys' fees and expenses (exclusive of disbursements and out-of-pocket expenses) incurred by the Investor, up to \$35,000, in connection with the preparation, negotiation, execution and delivery of this Agreement, legal due diligence of the Company and review of the Registration Statement, the Base Prospectus, the Current Report, any Permitted Free Writing Prospectus and all other related transaction documentation. In addition, the Company shall pay, on the 30th day of the third month in each calendar quarter during the Investment Period, promptly following the receipt of an invoice therefor, up to \$12,500, representing the due diligence expenses incurred by the Investor during the Investment Period and expenses relating to the Investor's review of Prospectus Supplements, Permitted Free Writing Prospectuses, opinion "bring downs" and all other related documents to be delivered by the Company and its counsel in connection with a Fixed Request Exercise Date and the applicable Settlement Date. The Company shall pay all

U.S. federal, state and local stamp and other similar transfer and other taxes and duties levied in connection with issuance of the Shares pursuant hereto.

(ii) If the Company issues a Fixed Request Notice and fails to deliver the Shares to the Investor on the applicable Settlement Date and such failure continues for 10 Trading Days, the Company shall pay the Investor, in cash (or, at the option of the Investor, in Common Shares which have not been registered under the Securities Act valued at the applicable Discount Price of the Shares failed to be delivered; provided that the issuance thereof by the Company would not violate the Securities Act or any applicable U.S. state securities laws), as liquidated damages for such failure and not as a penalty, an amount equal to 2.0% of the payment required to be paid by the Investor on such Settlement Date (i.e., the sum of the Fixed Amount Requested and the Optional Amount Dollar Amount) for the initial 30 days following such Settlement Date until the Shares have been delivered, and an additional 2.0% for each additional 30-day period thereafter until the Shares have been delivered, which amount shall be prorated for such periods less than 30 days (subject in all cases to the Trading Market Limit).

Section 9.2 Specific Enforcement, Consent to Jurisdiction, Waiver of Jury Trial

(i) The Company and the Investor acknowledge and agree that irreparable damage would occur in the event that any of the provisions of this Agreement were not performed in accordance with their specific terms or were otherwise breached. It is accordingly agreed that either party shall be entitled to an injunction or injunctions to prevent or cure breaches of the provisions of this Agreement by the other party and to enforce specifically the terms and provisions hereof this being in addition to any other remedy to which either party may be entitled by law or equity.

(ii) Each of the Company and the Investor (a) hereby irrevocably submits to the jurisdiction of the United States District Court and other courts of the United States sitting in the State of New York for the purposes of any suit, action or proceeding arising out of or relating to this Agreement, and (b) hereby waives, and agrees not to assert in any such suit, action or proceeding, any claim that it is not personally subject to the jurisdiction of such court, that the suit, action or proceeding is brought in an inconvenient forum or that the venue of the suit, action or proceeding is improper. Each of the Company and the Investor consents to process being served in any such suit, action or proceeding by mailing a copy thereof to such party at the address in effect for notices to it under this Agreement and agrees that such service shall constitute good and sufficient service of process and notice thereof. Nothing in this Section 9.2 shall affect or limit any right to serve process in any other manner permitted by law.

(iii) Each of the Company and the Investor hereby waives to the fullest extent permitted by applicable law, any right it may have to a trial by jury in respect to any litigation directly or indirectly arising out of, under or in connection with this Agreement or the transactions contemplated hereby or disputes relating hereto. Each of the Company and the Investor (a) certifies that no representative, agent or attorney of any other party has represented, expressly or otherwise, that such other party would not, in the event of litigation, seek to enforce the foregoing waiver and (b) acknowledges that it and the other parties hereto have been induced to enter into this Agreement by, among other things, the mutual waivers and certifications in this Section 9.2.

Section 9.3 Entire Agreement; Amendment. This Agreement, together with the exhibits referred to herein and the Disclosure Schedule, represents the entire agreement of the parties with respect to the subject matter hereof, and there are no promises, undertakings, representations or warranties by either party relative to subject matter hereof not expressly set forth herein. No provision of this Agreement may be amended other than by a written instrument signed by both parties hereto. The Disclosure Schedule and all exhibits to this Agreement are hereby incorporated by reference in, and made a part of, this Agreement as if set forth in full herein.

Section 9.5 Waivers. No waiver by either party of any default with respect to any provision, condition or requirement of this Agreement shall be deemed to be a continuing waiver in the future or a waiver of any other provisions, condition or requirement hereof nor shall any delay or omission of any party to exercise any right hereunder in any manner impair the exercise of any such right accruing to it thereafter. No provision of this Agreement may be waived other than in a written instrument signed by the party against whom enforcement of such waiver is sought.

Section 9.6 Headings. The article, section and subsection headings in this Agreement are for convenience only and shall not constitute a part of this Agreement for any other purpose and shall not be deemed to limit or affect any of the provisions hereof.

Section 9.7 Successors and Assigns. The Investor may not assign this Agreement to any person without the prior consent of the Company, in the Company's sole discretion. This Agreement shall be binding upon and inure to the benefit of the parties and their successors and assigns. The assignment by a party to this Agreement of any rights hereunder shall not affect the obligations of such party under this Agreement.

Section 9.8 Governing Law. This Agreement shall be governed by and construed in accordance with the internal procedural and substantive laws of the State of New York, without giving effect to the choice of law provisions of such state that would cause the application of the laws of any other jurisdiction.

Section 9.9 Survival. The representations and warranties of the Company and the Investor contained in Articles III and IV and the covenants contained in Article V shall survive the execution and delivery hereof until the termination of this Agreement, and the agreements and covenants set forth in Article VIII of this Agreement shall survive the execution and delivery hereof.

Section 9.10 Counterparts. This Agreement may be executed in counterparts, all of which taken together shall constitute one and the same original and binding instrument and shall become effective when all counterparts have been signed by each party and delivered to the other parties hereto, it being understood that all parties hereto need not sign the same counterpart. In the event any signature is delivered by facsimile, digital or electronic transmission, such transmission shall constitute delivery of the manually executed original and the party using such means of delivery shall thereafter cause four additional executed signature pages to be physically delivered to the other parties within five days of the execution and delivery hereof. Failure to provide or delay in the delivery of such additional executed signature pages shall not adversely affect the efficacy of the original delivery.

Section 9.11 Publicity. On or after the Effective Date, the Company may issue a press release or otherwise make a public statement or announcement with respect to this Agreement or the transactions contemplated hereby or the existence of this Agreement (including, without limitation, by filing a copy of this Agreement with the Commission); provided, however, that prior to issuing any such press release, or making any such public statement or announcement, the Company shall consult with the Investor on the form and substance of such press release or other disclosure.

Section 9.12 Severability.
